Citizens Comments

Phyllis Monroe from Springfield attended to hear about the TNR program and how she can help.

Mayor Brenda Carroll Discussed:

- Received 2nd new truck today. Will be selling old truck.
- Will be attending Mike Waller's Arborist graduation
- Mayor Brenda mentioned the various volunteers willing to help with the program with almost all from outside the Village. Vet asked that 8 cats be delivered on a Monday and picked up on a Friday. More discussion occurred. Phyllis volunteered to get the Village started by trapping and transporting to the Vet.
- Events Committee/Township okayed a Beer Garden at the Light Up the Night festival. The Village's insurance allows the Village to sponsor it. The Village would be reimbursed for the cost by the Events Committee. Discussion will continue at a future date.
- First Brethren church will be the site for the April and May Council Workshops
- The Gas and Electricity Aggregate program is on hold for now due to unfavorable market conditions. Once rates are stable and competitive, the Village will be signed up.
- Main Street Parking – Much discussion occurred without an obvious solution to the safety problems caused by on street parking. Denis will watch the ODOT site for a free traffic study. There are no current slots available but he will keep checking.

Lee – will be hosting stargazing at some time in the future.
