Landlord Tax reporting

Landlords in the Village of Pleasant Hill are required by Tax Ordinance #1095v3 to submit basic information about their tenants who reside in the Village by Jan 31 of each year. Letters have been mailed out, and a follow up letter will be sent out for those who's information we have not received. If you are a landlord, and did not receive the form to fill out, please contact the Village office. Denis at 937-676-3321. There is a penalty for this ordinance if there is noncompliance.

Sidewalk repair program

There are several important reasons why a **sidewalk repair program** is important. Here are some of the key motivations for keeping sidewalks in good condition:

1. **Safety Concerns**
 2. **Accessibility**
 3. **Preventing Further Damage**
 4. **Aesthetic Appeal**
 5. **Promoting Walking and Active Transportation**
 6. **Legal and Liability Reasons**
 7. **Stormwater Management**
 8. **Public Health**
- Conclusion**

Steps with approximate timelines:

Now: Sidewalks have been identified, a notice with cost will be sent out, and bids will be received for the work.

Property owners may have their own contractor complete the work to set specifications.

Invoices for Village completed work will be sent out to residents, and the amount can be paid, or it cost will be assessed to property taxes.

Fall: Assess taxes

Sidewalk repair programs are essential for creating safer, more accessible, and sustainable communities. They not only improve the quality of life for pedestrians but also benefit the community as a whole through better infrastructure, increased property values, and healthier living environments.

Village Cemetery clean up by March 18th

2. **Prevents Costly Repairs**
3. **Enhances Safety**

There are grants available from the County for home repair, with income qualification, that we can connect you with. If you need physical help, contact the office and we can see how we can work together as a village for the common goal.

If you are willing to help someone in the Village for a one time project, or regular maintenance, please submit your information to the Village, maybe we could head up a Village work day!

Natural gas and electric Aggregate coming

May to June Pleasant Hill residents will be receiving notice in the mail proposing the rates for natural gas and electric through the Miami County aggregate purchasing agreement.

Upon receiving the letter, you will be automatically be part of the purchasing power plan. You may at that time 'opt out' and search for your own contract as done in previous years. If you are currently in a contract at aggregate sign up time, you may choose to cancel your contract (be aware their may be fees), or join in the aggregate after your contract is completed. Please direct any questions to, Bob Snavley who is our friendly representative, and is more than happy to answer all questions.
