July 1st, Sept 1st, Nov 1st

Memorial Day Parade! Monday, May 25th at 10:30AM

Parade will lineup at the school parking lot 15 min before 9:00AM. There will be a ceremony at the cemetery immediately following the parade. A carry-in lunch will be held at the VFW Post 6557 after the ceremony - all are welcome!
7578 Fenner Rd, Ludlow Falls.

We are happy to announce that we will be having our Fire Dept. Chicken BBQ fundraiser this year. After several years of not having the BBQ due to our previous vendor going out of business, we have located another vendor that can provide the same great tasting chicken you have come to recognize. This year's BBQ will be held on **Sunday, May 31st**, and we will start serving at **11:00AM**. Something different this time is we are doing pre-sale tickets instead of waiting to see if we have any dinners. We will still offer an area for you to come in if you would like. Prices this year are **\$15.00** for a dinner, your dinner will include ½ chicken, applesauce, potato chips, roll, and a drink. **Chicken only** is an option for **\$10.00**. There will be dessert options available for an additional purchase. To purchase tickets, you can purchase online via the QR code, reach out to any fire department member for ticket information, or call the fire station at 937-676-2248. Thank you!

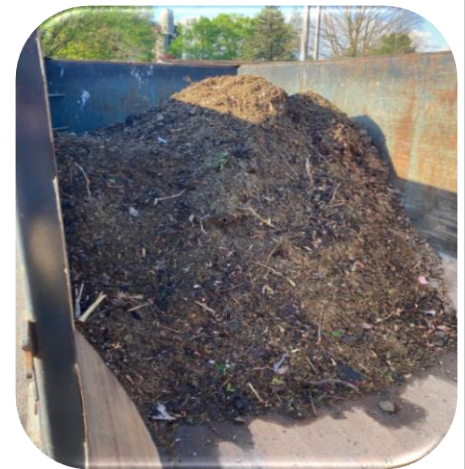

New weather siren coming soon!

Beginning this summer, residents will hear a different sound during our regular weather alert test on the second Wednesday of each month. This updated siren will ensure the entire village can clearly hear the alert and stay safe during severe weather emergencies. Thank you for your suggestions and continued support in keeping our community prepared.

Street sweeping was a great success!

This process helps keep the storm sewers clear from dirt and debris. Check out all the trash collected from our April cleanup!

Thank you residents!

SAVING LIVES IS IN THE BAG
MAY 4TH - JUNE 27TH

Donate blood to receive this tote bag.*

Drop in and donate to help avoid critical blood shortages when you give the most important gift of all, the gift of life!

Be a hero for someone in need, give blood today.

*All gifts are available while supplies last and are subject to change. Color and design are also subject to change at any time and are based on availability from the manufacturer.

Fire hydrant flushing for the Village

First week of June (1st – 5th).

The purpose for hydrant flushing is aimed at improving water quality. Residents may notice low water pressure or discoloration. It is advised to turn on your faucet, and run your water until clear. Refrain from washing whites during this process.

Thanks for your cooperation!

Lights Up the Night - June 27th

After much feedback and consideration, the Lights Up the Night festival has made some changes. The festival will now start at 4:00PM and last until the fireworks.

We really love putting on a fireworks show for our community, but in order to keep the fireworks show like it's been in the past the events committee is still in need of sponsor money.

If you have enjoyed the fireworks in years past, please consider donating! We can't wait to celebrate with you! There will be a car show! Any suggestions or donations please call Jerry Grise 937-638-6731.

Village Drinking Water Consumer Confidence Report is available at the Village office or by visiting our website at

<https://pleasanthillohio.com/index.php/about-us/consumer-confidence-report>

As the weather warms into the summer season, let's take the opportunity to clean up our properties and make our community look more inviting!

The guidelines are set in the Village ordinance's and help the community to be a well-maintained and safe environment for all!

Key property maintenance reminders include:

- Maintain grass and vegetation at less than 7 inches in height. Keep grass out of the sidewalk cracks and edges, street and gutter. Do not blow grass onto the sidewalk or street.
- Trash and recycling containers should only be placed in the public right-of-way/ street curb area within 24 hours before or after collection for parking access and prevent car damage.
- Vehicles (including cars, trailers, boats, golf carts, and campers) must be street legal, operable, insured and have current license plates. Vehicles cannot be parked or stored in yards. Wrecked or junk vehicles, vehicles in disrepair are not allowed. Trailers, boats, and campers can be parked on street for 48 hours.
- Paint, roofs, windows, gutters, downspouts, fascia, and accessory structures must be intact and in good condition. Keep porches free of debris and personal storage.
- Permits are required for any new fence, pool, shed, gazebo, garage, sidewalk, deck, driveway, additional parking created on the property, etc.
- Signage (election signs, service companies, events, etc.) are to be in yards, not in public right-of-way (sidewalk curb lawn) for safety of visibility.

Full details about property maintenance reminders, along with the code referenced, will be found on the village website at pleasanthillohio.com soon. For additional information, call the village office at 937-676-3321.
